**SECOND SUPPLEMENTAL
INFORMATION DISCLOSURE STATEMENT TRANSMITTAL**

Commissioner for Patents
Washington, DC 20231

Dear Sir:

Applicant wishes to make of record the information in the enclosed information disclosure statement.

For the purposes of timely submission under § 1.97 (e) (1 and/or 2) and § 1.704 (d), the following are noted:

Each item of information contained in the information disclosure statement was first cited in a communication from the ISA/US (and by no other patent office) in a counterpart international application not more than three months prior to the filing of the information disclosure statement.

To the knowledge of the person signing after making reasonable inquiry, no item of information contained in the information disclosure statement was known to any individual designated in § 1.56(c) more than three months prior to the filing of the information disclosure statement.

Each item of information contained in the information disclosure statement was first cited in a communication from the ISA/US (and by no other patent office) in a counterpart international application and that this communication was not received by any individual designated in §1.56(c) more than thirty days prior to the filing of the information disclosure statement.

The relevance of the submitted Japanese reference is that it appears to disclose a coating containing zinc and chromium compounds.

The undersigned represents that the closest art of which he is presently aware has been cited herein and understands that this statement shall not be construed as representation that no better art exists or that a thorough patentability search has been made.
